

U.S. Department of Transportation's Disadvantaged Business Enterprise Unified Certification Program Workshop

The Sheraton Denver West
360 Union Boulevard, Lakewood, CO 80228
August 14, 2008
9:00 am – 5:00 pm

The Department of Transportation (DOT) requires that all direct and indirect recipients of DOT funding establish a Unified Certification Program (UCP) to provide a one-stop certification process for businesses in each state seeking certification to participate in the DBE program. The DOT UCP Workshop will review federal laws and regulations; discuss what components are expected in a UCP; discuss recently implemented and proposed guidance; and discuss best practices in implementing an effective UCP. This training will help practitioners better understand the requirements of the UCP and be able to apply the content learned during this workshop to their daily work activities and local environment.
